

Virginia Department of Social Services Statement on Summer 2022 P-EBT

The U.S. Department of Agriculture has authorized the Virginia Department of Social Services to provide Summer P-EBT to K-12 students. All school-age children who attended a school last year, school year 2021-2022, that was approved to participate in the Community Eligibility Provision (CEP) or who were determined eligible to receive free or reduced-price meals are eligible for Summer 2022 P-EBT.

All eligible students enrolled during the last month of school year 2021-2022, including new high school graduates, can expect to receive a one-time summer benefit of \$391 beginning on August 25, 2022 on their previously issued P-EBT or SNAP EBT card.

If you do not have an existing P-EBT card, or your information has changed since you last received P-EBT, a card will be mailed to the address provided in your student's school record within 7 to 10 business days. To request a replacement for a lost or discarded P-EBT card, contact ConnectEBT at 1-866-281-2448 or logon to <https://www.connectebt.com/> or download the ConnectEBT app on a mobile device.

Contact VDSS with questions about P-EBT at one of the following contact points. Do not contact your child's school or central office for P-EBT information.

P-EBT Call Center 7 a.m. - 7 p.m Monday - Friday and Saturdays from 9 a.m. - 2 p.m. at 866-513-1414 or 804-294-1633 or use the [P-EBT Online Inquiry Form](#).
