2019-2020 ISSUE 4: FEBRUARY

## DRHS BOY'S BASKETBALL TEAM

For sports fans in the Danville/Pittsylvania county and surrounding areas, Dan River basketball has been a perennial name atop the standings for the better part of a decade. After losing several contributing members from last year's team, some may have wondered if the 2019-2020 team would have enough depth to continue their success. At the finale of the regular season, we have been provided with a resounding answer in the form of an impressive 20-2 record, a Dogwood District Championship and a number one overall seed for the region. All of the success has come despite much attrition due to injuries. With a couple of weeks off before the start of post-season play, the Wildcats are hoping the time off will allow them to get healthy and sharpen their skills before the post season run. Dan River will need to win their first 2 regional games in order to advance to the state tournament and give themselves another shot at bringing the state title back home to Ringgold.

## "COURTYARD CLASSROOM"

The DRHS Agriculture department had a talented group of seniors this year who, under the leadership of Ms. Kenealy and Mrs. Terry, wanted to make a gift for DRHS before graduating in May. They had the idea to create a "courtyard classroom." They constructed four octagonal picnic tables, two benches, and a podium. As spring arrives with warmer weather, hopefully the courtyard will serve as a pleasant incentive for students. Teachers are encouraged to take students outside for 45 to 90 minutes and enjoy a nice, sunny day. Ms. Strader has created a Google calendar where teachers may sign up at their own discretion.

## TUTORING

Tutoring is offered daily after school by some teachers. Encourage your students to attend for extra help or remediation for SOL tests.

Students must stay with the teacher providing tutoring until their ride is present to pick them up. Please be punctual to pickup your child.
