RAISING MONEY FOR A GREAT CAUSE

The Interact Club held a service project called "Pennies For A Cause" in honor of MLK Service Day. All of the money that was raised was donated to the Danville/Pittsylvania County Cancer Association. This money will help defray the cost of cancer-related items such as prescriptions, equipment, supplies, and other special needs. Mrs. Moore, sponsor of the Interact Club, said "Our goal of this project was to give back to our community and be true to our motto of putting service above self."
